## *Exhibitor/Donation Program*

Oklahoma Station Chapter SCI is your partner in Oklahoma that protects the freedom to hunt for all hunters and not for any specific species. We do this through; millions of dollars of funding special programs, trailers to the ODWC and OSU, ELK purchases for state lands, Habitat program funding, Education Programs, and much more. OVER 70% of ALL donations stay right here in Oklahoma to support our state and as the National chapter matches all of our programs.

The future generations of our hunting heritage are in constant need of maintaining. Some efforts come at the legislative level but the majority are in education, specific species restoration and the never ending need to get more people involved. Without large supporters, these things simply cannot happen and our children and grandchildren will not enjoy what we have today. Bring out the Philanthropist in yourself and help us in these future impacting endeavors! How do you think we all felt when the first ever Elk hunt in Oklahoma kicked off after OSCSCI had brought 8 Elk in in years past to enhance the heard? Yes, it felt GREAT!

We have 400 VIP's who attended our banquet each year that spend 100's of thousands of dollars. That is (400 sets of eyes) that your product, logo and name gets direct marketed to. 95% of all of these eyes live in the state of Oklahoma and are focused!

Our banquet on March 10<sup>th</sup> 2018 will have 24 booths for Exhibitors/Vendors. The price of a space is \$225 and includes 2 tickets for the evening's banquet. Setup will start at 8:30AM, the space will be open for spectators from 11AM till banquet close around 11PM. ALL vendors will be published in our "International Award Winning Banquet Program 2017!" in print and online.

Payment can be done in direct dollars OR in donation. Donate to us over \$225 in items we can use in our banquet and get your booth for free!! This is the first year of this vendor program and future years it is expected to grow. Get in now or space request may have you looking in from the outside.

*Oklahoma Station*, SCI's Humanitarian, Educational and Conservation programs continue to grow and expand well beyond their humble beginnings. However, these efforts are only as successful as the support the program receives. Corporate, individual and foundational giving allows SCI and the greater membership to continually expand the scope and influence of the organization. Your contributions are essential to the health of these worthwhile projects. We thank you whole heartedly for your underwritten donation!!
