Many military personnel have hunted and fished all of their lives. They enlist, train, deploy overseas to serve our country – and sometimes return as disabled veterans. They wonder if they will ever again be able to enjoy the outdoor sports they once loved.

The Bowman Lodge at Lone Tree Ranch was established by vets, for vets...to give them the complete outdoor experience they deserve...a variety of adaptive hunting measures – special transport, blinds and stands – to ensure an exciting, fulfilling hunt. All hunts are fully guided by a fellow veteran.

Built for disabled vets from the ground up: Bowman Lodge is an 8,000 square-foot, 5-star lodge that is wheelchair-friendly and ADA-compliant. It can house up to 4 hunters (each with a non-hunting guest, if desired). The lodge features an expansive community area with amazing views of the property, as well as a full bar and poker table. Delicious, homestyle ranch meals are provided by the founders, as well as Starla, owner of the most popular café in the region.

All-inclusive: All lodging, meals, beverages, travel expenses, hunting licenses, tags, fees and meat processing fees are provided at absolutely no cost to the hunter.

Funding is provided through the Talley Bowman Foundation, a 501(c) 3 non-profit organization. The Foundation is dedicated to helping vets re-discover the confidence and camaraderie that the great outdoors can provide.

All proceeds from the Bowman Lodge Heroes Classic are for the benefit of the Foundation.
