Macedonia, a small mountainous country between Greece and Serbia, is an excellent place for hunters coming from the US because at least 10 different species of European and exotic big game can be hunted there. Besides the already famous Balkan Chamois, in HuntInEurope's hunting ground, hunters can hunt Kiri-Kiri Ibex (the only place in the world where it can be hunted with the rifle), Alpine Ibex, Barbary sheep, Axis deer, Tahr, excellent Mouflon sheep and others.

This hunt is for a 6-11 day stay with 5-10 days of hunting for one hunter and one observer in HuntInEurope's own hunting ground of Lakavica, where they have an excellent five-star hunting house and where almost all species can be hunted. Hunting is physically easy, and success is all but guaranteed. Hunting is done from August to March (Balkan Chamois up to 31 Dec). Such a hunt normally costs \$1,000/day for one hunter & one non-hunter, but these daily fees are free if you win this hunt...for up to ten days of hunting! SCI-Oklahoma takes care of these daily fees; you pay the tax on same.

This trip includes airport assistance, import rifle permit, ground transportation, meals and lodging during the hunt, professional hunter, skinning, salting and trophy care, hunting license, hunting permit and insurance. You decide which species you wish to hunt: on a 5-day hunt you must take at least one species; on a 7-day hunt at least two species; and on a 10-day hunt at least three species. You pay all trophy fees.

Not included: hotel and meals before and after the hunt, trophy packing and shipping, taxidermy, export permits, veterinary certificates and legal order (approx. \$ 500 per box), airline tickets, phone calls, tips, 18% tax on the final invoice (including tax of \$180/day on the daily fees which you have won), rifle rent and/or ammunition if needed, trophy fees as might be current at the time of your hunt (2010 fees are shown below).
