Mankazana Safari's is a major supporter of Oklahoma Station SCI and has many of our members on their hunts with nothing but great results. Come hear from this true African Outfitter and discuss topics from abroad. If that isn't enough, hunting season in Oklahoma will be in full swing and finding out about current trends will surely be a topic of the night. And above all, it's a fine dining night out with friends 😊

From Bass Pro Shop go West on Reno to Bourbon Street. Turn Right, Jazmo's in on the right just before the river. Parking across the street from Jazmo's to the West.

Menu

- Appetizers:** House Salad OR Red beans and Rice
